We welcome everyone to our Travelling club! If you have some good ambitions and motivation you should visit us.

If you join our travelling club you will make new friends and become really happy about it. Also, members of our club go to a trip with a tents every week. We sit near the fire, sing songs, play guitar, make many interesting photos of nature. In the winter we also go to the trips. We do snowboarding and skiing. In autumn we can take some edible mushrooms from forest. So, in summer we visit small lake, swim and play different games like football and volleyball.

Usually our club have meetings every Friday in SAM. You should take a big backpack, some food like cheese, cucumbers, tomatoes, potatoes and bread.

If you will be ^{gr.} the member of our club you will pretend on scholarship in this year and have a chance to upgrade your survival, communication and physical skills.

In conclusion, I'd like to say that Travelling club is a good condition to every pupil that you can use to become more socialized, if you have troubles with it and never be more happy than the day when you meet us.
